

## Schools - In Year Admission Policy

**Accepted by:** Board of Trustees March 2018

**Approving Body :** Board of Trustees

**Committee :** Standards

**Review Cycle:** 2 years

**Last reviewed:** June 2024

**Date for next review:** June 2026

1. An in-year admission, is the admission of a pupil to a school which takes place outside of the normal entry times. This includes pupils changing schools, pupils coming from a different country or from other parts of the UK, pupils returning to a school from living elsewhere or those who have not been in school.
2. Any parent can apply for a place for their child at any time to any of the Trust's Academies outside the normal admissions round. On receipt of an application for an in-year admission, the Academy must inform the relevant Local Authority of both the application and its outcome, to allow it to keep up to date figures on the availability of school places in its area. The Academy will also inform parents of their rights to appeal against any decision to refuse a place.
3. The Academy will offer a place to any child who applies, provided that the number of children in that year group will not exceed the published pupil admission number. If there are a number of applications for in-year admissions that would take the number above the published pupil admission number, then the published oversubscription criteria must be applied to rank each child and their name will be added to the waiting list in ranked order.
4. The Academy may decide to admit over Published Admission Number in certain limited circumstances. The Academy must take into consideration whether the circumstances of the case are compelling and whether the admission of an additional child would prejudice the provision of efficient education or efficient use of resources at the school. If the Academy believes it would cause prejudice then they can still admit the child if they consider the argument to do so to be strong. They must balance the prejudice to the school against the reasons for admission. They should consider carefully the reasons for expressing a preference for the school and what the school can offer that another school may not. It is at the discretion of the Local Governing Body (LGB) to approve additional admission that take an Academy over its Published Admission Number. All admission decisions will be recorded on the form attached at Appendix 1. *Those parties signing the Recoding Decision and acting on behalf of the Admissions Authority must either meet in person to discuss the application or agree to participate in such discussion by telephone/video conferencing subject to 48 hours' notice.*

### **Academies that have reached the infant class size limit**

5. The School Admissions Code, September 2021 requires that infant classes must not contain more than 30 pupils. However, additional children may be admitted under 'limited exceptional circumstances'. These include:
  - a) Children admitted outside the normal admissions round with Education, Health and Care Plans specifying a school;
  - b) Looked after children and previously looked after children admitted outside the normal admissions round;
  - c) Children admitted, after initial allocation of places, because of a procedural error made by the Admission Authority or Local Authority in the original application process;
  - d) Children admitted after an independent appeals panel upholds an appeal;
  - e) Children who move into the area outside the normal admissions round for whom there is no other available school within reasonable distance;
  - f) Children of UK service personnel admitted outside the normal admission round;
  - g) Children whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil;
  - h) Children with special educational needs who are normally taught in a special educational needs unit attached to the school, or registered at a special school, who attend some infant classes within the mainstream school.
6. These children will remain an 'excepted pupil' for the time they are in an infant class or until the class numbers fall back to the current infant class size limit.

### **Pupils with poor behaviour at other schools**

7. Where the LGB does not wish to admit a child with challenging behaviour outside the normal admissions round, even though places are available, it will refer the case to the relevant local authority for action under the Fair Access Protocol. This will **normally only** be appropriate where an Academy has a particularly high proportion of children with challenging behaviour or previously excluded children. This provision **will not** apply to a looked after child, a previously looked after child or a child with a statement of special educational needs or Education, Health and Care Plan naming the school in question, as these children **must** be admitted. The LGB **must not** refuse to admit a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for special educational needs.
8. It is at the discretion of the Head Teacher/Head of School and LGB to approve additional admissions that take an Academy over its Published Admission Number. Such decisions will be recorded on the form attached – see Appendix 1.
